The Woman's Club of Albany

United in Service to the Community Since 1910

This is the October 2022 newsletter for The Woman's Club of Albany, with news about our events and ways you can help us meet our mission.

A Message from Our President

Last month, I encouraged WCA members and contacts to support our annual garage sale, and you certainly came through. With plentiful donations, raffle, bake sale and hours of work by many WCA volunteers, I am thrilled to report another record-breaking year with a profit of more than \$8,200! Thank you to all who supported this fundraiser, and a huge shout out to Co-chairs Paula Hennessy and Susan Gould Fogerite for their leadership.

Have you read the WCA mission recently?

The mission of the Woman's Club of Albany is to provide a center where Capital District women can pool their time, expertise and energy in activities that support the well-being

and cultural enrichment of women and children in the region, and to preserve the historic building that is our home.

To that end, check out the Board Notes, news from our Community Service Committee about joining the WCA Making Strides team and a message of gratitude from our friends at Albany Medical Center. Ignite your passion for fashion with other Capital Region women at our Fashion Show fundraiser featuring WCA members modeling unique fashions and upcycled styles.

Did you know the beautiful WCA house is available as a rental venue? Make our home your home for your next special event.

To our contacts: The Club is offering a discount of \$50 off holiday rentals booked by Oct. 31.

To our members: As a member benefit, you save 50 percent on rental fees (25 percent off during your first year) and you also receive the \$50 discount.

Hope to see you at the WCA Friends and Family Picnic at Lawson Lake today. It's going to be a blast!

Coming Events

Keep Calm and October On 2sDay the 4th

2sDay in the Parlor -- Smiles Start at 6:30 p.m.

It's sweater-weather and time to bring 2sDay into the parlor.

Last year we didn't have the new furnace yet and the year before that . . . well, we didn't have anything or anywhere we could share.

This year, if it's the first Tuesday of the month, we're back in the parlor! Thank goodness.

Take a break from "Club-stuff" and get to know each other on a strictly social level. As always, a nip or a nosh to share, please.

Orange is the new black and mum's the word. Stop by for two minutes or two hours.

It's all good. See you there.

Don't Miss Home Away from Home

Oct. 19 -- 5:30 p.m.

Our monthly Members' Nights Out have seen board games, conversation, sharing a skill and more. These popular evenings are hosted by the Board in an effort to make the house more available to members. You can do whatever you want. But – we're suggesting some activities as a twist.

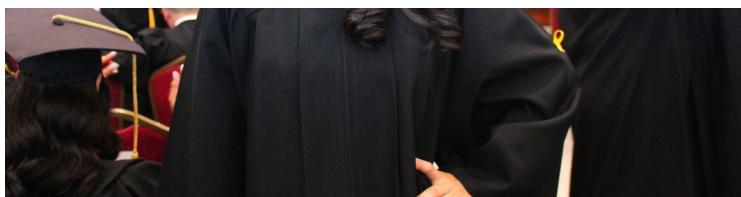

This month, Board member Janet Nardolillo will provide fruit, cookies and decaf coffee/tea to go with your brown bag supper. She will invite you to explore our house with a "scavenger hunt," checking out nooks and crannies, drawers and cupboards, big things and small.

Community Service

Thursday. Oct. 13 -- 6:30 p.m.

(Together Women Rise photo)

Did you know that there is a local chapter of ["Together Women Rise"](#) (formerly called Dining For Women") that meets monthly at the WCA? This organization is devoted to raising awareness of gender equality challenges and the struggles of women worldwide.

Each month a specific need is highlighted, and voluntary donations accepted. At the WCA evening, discussion and ideas are shared over a scrumptious potluck dinner. To date, the WCA chapter has raised almost \$43,000 for woman and girls.

This month's featured project is Girls Leading Change, a program of the Organization for Youth Empowerment in Honduras.

This project gives adolescent girls and young women the knowledge, skills, attitudes, values and tools to lead healthy lives and advocate for sexual and comprehensive reproductive health education in their schools and communities.

If you plan to attend or to learn more, please contact [Rosemary Revoir](#).

The center is a 501(c)(3) not-for-profit organization that has been welcoming and assisting international newcomers throughout New York's Capital Region since 1956. Its mission is to connect the Capital Region to the world through citizen ambassadors.

The center participates in the U.S. Department of State's International Visitor Leadership Program. It also promotes the Capital Region's diverse people, rich history, and unique assets. Recent visitors include educators from Poland, doctors from Ukraine, filmmakers from Senegal, and judges from Pakistan.

The center is also working on expanding programming for youth as well as engaging the diverse cultural groups of the Capital Region.

Pending Board approval, we will collect cake mixes for the Grassroots Givers "Day of Simple Giving" to benefit FOCUS Pantries Christmas food baskets program.

Only 210 tickets will be sold. The odds of any one ticket winning are 1/42. The odds of winning \$100 go up based on the number of tickets you sell.

Help Bike Rider Make History of Her Own

WCA a stop on her 300-mile journey

Join us as we greet Charlotte Powell, a ninth grader at Pioneer Valley Performing Arts School in South Hadley, MA, who is making a 300-mile bike ride from Massachusetts to Seneca Falls, N.Y. to promote the importance of voting in elections.

She is starting her ride on Wednesday, Oct. 5, and will be stopping at the WCA in mid-afternoon on Friday, Oct. 7, to share her message. (We'll provide a more precise arrival time as her ride progresses on Friday.)

Charlotte's goals in making this trip are also to make people aware of the sacrifices made by women in the Suffrage Movement in the early 1900s and to register 100 new voters.

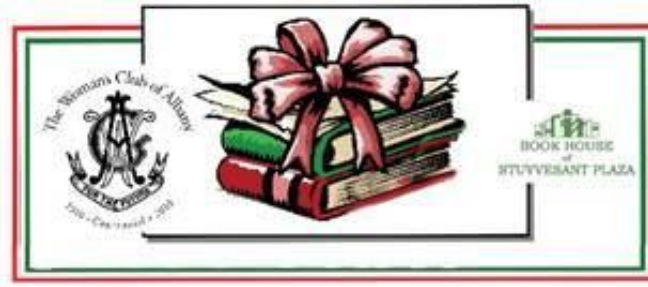

According to her mother, Charlotte was inspired by the Women's Suffrage Movement in 2019 when she learned about the 100th anniversary of the 19th Amendment. She combined her love of historical costuming to outfit her entire Girl Scout troop in period costumes and organized a 1919-style "Votes For Women" rally on Election Day in 2020.

Charlotte was discouraged to learn about the lack of voter turnout, particularly among women, and decided to come up with a way to inspire voting. She also wanted to get healthier and try to accomplish a difficult challenge. The 300-mile bike ride is her way to do all this.

For safety purposes, her father will ride with Charlotte and her mom will drive alongside to help with equipment and voter registration and other events.

Charlotte plans to reach the National Women's History Museum in Seneca Falls during the afternoon of Monday, Oct. 10.

We received two lovely thank-you letters from the Albany Medical Center Auxiliary for donations of unsold merchandise after the garage sale. Here are some excerpts from the letters.

Thank you so much for including Albany Med in your list of not-for-profits and giving us the opportunity to take books for our patients and staff, and also to put out at our Oct. 14th book sale to benefit AMC Patient Needs Program.

The children at AMC love the children's books. There is a Catie Cart in Radiology which has 3 shelves for books for children waiting for appointments. The books are very popular with children and their parents. They are free to read them while there or take them home. I don't know the origins of Catie Cart but I am guessing Catie was a patient at AMC. Thank you so much for your generosity.

Respectfully,

Lynne Daly, AMC Auxiliary Librarian

We thank you so much for opening up your floors to us for our benefit, particularly the Christmas section. Our annual Thrift Shop Christmas Sale is on Friday, Nov. 18, from 9 a.m. to 2 p.m. in the BE section of the hospital. We will send you a formal invitation and ensure you access to this sale should you wish to stop by. We also appreciate the wallets and pocketbooks, Christmas tree and the dishes and glasses. We find your building charming with vast history.

Respectfully,

Theresa Elefante (lead thrift shop manager)

Donna Reid (longtime, devoted thrift shop volunteer)

Lynne Daly (AMC Auxiliary librarian)
