## **Message from Our President**

What has the Woman's Club of Albany been doing to meet its [mission?](#)

WCA members were visible in the community, hosting a table at the Upper Madison Street Fair, volunteering at Cap Rep, marching in "[Making Strides Against Breast Cancer](#)" and offering refreshments and house tours to passersby after the walk.

Our historic building is used weekly by Literacy Volunteers of Rensselaer County to teach women Sewing and English Language Workplace Skills, and monthly by the local chapter of Together Women Rise. WCA gardeners have planted 600 tulip bulbs ensuring a beautiful springtime view.

Teen voting advocate Charlotte Powell selected the WCA as a stop on her 300-mile bike ride to raise awareness of the importance of voting and the suffrage movement. The club was delighted to host a reception, a voter-registration table and local media at the house. Read Charlotte's letter below.

The Community Service Committee raised \$200 for the American Cancer Society and collected 78 boxed cake mixes to help FOCUS pantries fill holiday food baskets.

The [Fall Fashion Show](#), sponsored by the Development Committee, earned \$560 and featured WCA models wearing stylish outfits. Proceeds support the WCA and ongoing building maintenance and improvements. Read below for an update on our ADA ramp project. and please consider purchasing and selling cash raffle tickets, a major ongoing fundraiser.

Membership and Program Committee activities brought people together. Outreach efforts continue to bring in new members who support the club's mission and are already participating and volunteering. The WCA is indeed "a center where Capital District women can pool their time, expertise and energy in activities that support the well-being and cultural enrichment of women and children in the region, and to preserve the historic building that is our home."

Thank you to the Board, committee chairs, volunteers and supporters of the WCA. I am proud of the work we are doing.

## **Accessibility Ramp Update**

If you've been to the house recently, you know that the ramp is complete with safety railings installed. The next step will be to "Light Up the Ramp." Thanks to 33 generous donors who contributed \$11,865, the Club has designated funds to finish the work. Currently, the Porch Committee and architect are researching appropriate lighting fixtures. Stay tuned for further updates about when we can "Light Up the Ramp." Enjoy these photos of our new facade.
