Message from the President

At the WCA, it's Re-Member September because it's time for many members to renew.

Membership matters. The simple act of renewing your commitment to the WCA allows the club to fund service projects and capital improvements that we can all be proud of. When that renewal notification arrives, please take a few minutes to drop a check in the mail or renew online. If you're not a member yet, this is a great time to join. Membership is affordable and accessible to all.

Participation matters. As an all-volunteer organization, the WCA relies on volunteers. If committee service is beyond your availability, perhaps you could volunteer a few hours at the garage sale. That said, **joining a committee** is a great way to make friends and feel like you belong.

Members, your opinion matters. It has been three years since the last comprehensive member survey whose results spurred committee actions and informed the current strategic plan. Much has changed during that interval. Watch your email for the next member survey in a few weeks.

I hope to see many of you shopping at the Garage Sale. This major fundraiser brought in over \$8,000 a year ago.

Please come to 2sDay on the porch for an end-of-summer gathering and the dedication of the Rose Garden. You'll enjoy the gardens and newly restored pillars.

One last thought: If you haven't read the WCA 2022-23 Annual Report, you can **download** a copy here to learn about the WCA's impact and initiatives.

We need more helpers to process and stage donations, staff the sale and distribute goods afterward. Thanks to all those who have signed up to help. If you haven't done so, you can jo us here. Knowing we have enough volunteers will really assist with our planning and sale.

Remember, we're accepting fall and winter clothing this year!

That makes it a win-win-win for our members, our club, and our community!

Final Flamingo and a Special Dedication

2sDay on the Porch -- Sept. 12 -- 6:30 p.m.

Where did the time go? It's our Final Flamingo. time to bid a fond farewell to summer on the Porch.

Geo and Josh, our personal Porch "Sound of Summer." will work their musical magic while we share laughs and more smiles than we can count.

As always a nip or nosh to share, please.

Wondering what to wear? It is Final Flamingo so you can't go wrong with pink. We missed Spc birthday, so black and white is good, too. Or maybe something floral.

Wait, there's more.

We'll also dedicate our beautiful new front Rose Garden to our dear member Paula Rosenberg who left us far too soon last fall. The Rose Garden's name itself honors Paula. Her two daughts (Paula's proudest creations) each have Rose as a middle name. It also honors all of us -- past present and future members.

In keeping with our tradition of celebrating all things fabulous, we will raise a glass and smile our friends surrounding us and remember all those smiling down on us.

WCA House Keepsakes Have Arrived!

You may have liked the prototype but wait until you see the actual house keepsake!

These were custom-designed for us by Hestia, a small woman-owned and operated business Massachusetts. Each hand-cast keepsake, made of marble-dust composite, is hand-painted b women artisans and is truly a work of art. It can be hung by its ribbon or displayed on the staincluded in the nicely boxed set.

The Development Committee is making these available to you as a fundraising initiative caller "A House for the House." If you donate \$25 (or more!), you will receive one of these keepsakes as a thank-you gift. You can gift these to others by making additional \$25 donation The proceeds will be put toward various projects for the repair, improvement or beautification our historic home.

We introduced these at the Aug. 22 Porch Palooza, and many members happily made donation and took them home. You, too, can have one of these collector's items and support the house that has been our club's home for more than 100 years!

You can make a "House for the House" donation on the WCA website or at the Super Garage Sale. Keepsakes can be picked up at the garage sale and other WCA events.

Donate Your Used Musical Instruments; Benefit Children in Need

WCA -- Sunday, Oct. 1 -- 10 a.m. to 1 p.m.

The Woman's Club of Albany is partnering with Vanguard-Inc.-ASO, the volunteer wing of the Albany Symphony Orchestra, to host a used musical instrument drive.

This drive benefits hundreds of public school children whose families cannot afford the expensive rental or purchase fees. Unfortunately, 13 local school districts frequently lack sufficient instruments for all the students who yearn to play them.

Your tax-deductible donation gives these eager, music-loving students the priceless opportunity not only to study music in depth, but also to play in their school orchestras or bands. Their teachers have told us that these youngsters' grades and attendance often rise as they hone their musical skills. In addition, they develop self-discipline, confidence and pride, acquire many crucial life skills, and best of all, experience intense joy and fulfillment playing beautiful music with their peers.

To date, 757 long-dormant instruments have been collected, donated, and brought back to life in the hands of these young musicians.

Join "Making Strides for Breast Cancer"

Remember to sign up to represent the WCA at the annual "Making Strides for Breast Cancer" on Sunday, Oct. 15.

We'll meet at the house at 11:30 a.m. and walk together to Washington Park. This is always an inspiring event.

If you would like to donate to this fund drive, we'll collect individual checks written to "Making Strides for Breast Cancer" and mail them together from the WCA. No contribution is too small. Our goal this year is \$300.
